

# *The Old Courthouse Sound and Light Show*

**Marshall County Courthouse  
Marshalltown Sesquicentennial  
1853-2003**

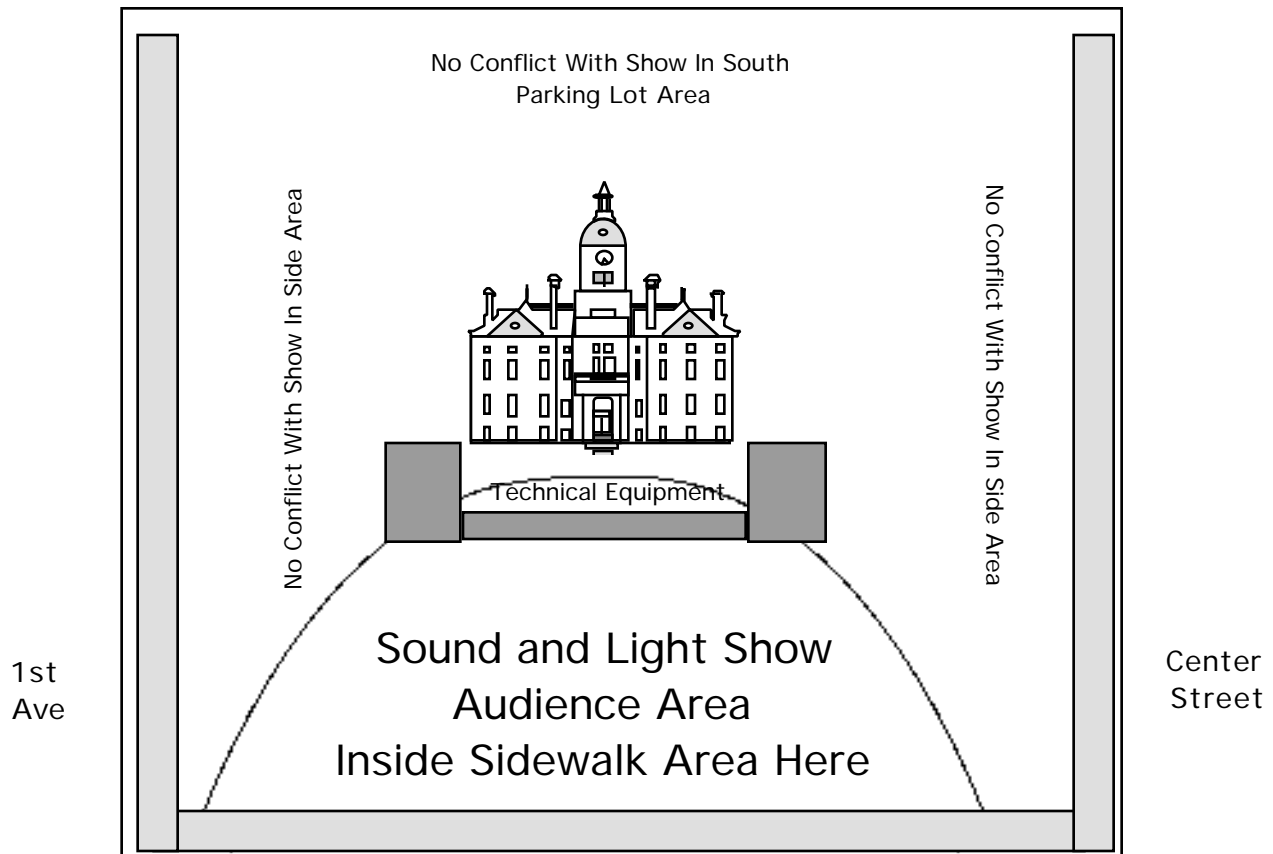

Date: 03 / 04 / 02

Report to Oktoberfest Committee on Grounds requirements for 2003 Sound and Light Show

The diagram below indicates audience area for Sound and Light Show that would need to be kept free of obstruction for the two night performances.

The area immediately in front of the courthouse and to each side would be primary areas for equipment and support materials. The equipment will be installed during the week ahead of the production and will not be removed until after the production.

Security and limited access of the equipment areas will be necessary.

Potential Audience Area on Main Street
